

# Tellus: Resetting Your Password

If you forget your password, you can reset it from the Tellus eVV login screen on your smart device:

1

Tap ***Password Help***.

2

When prompted, enter your email address or phone number.

3

Tap ***Reset Password***.

4

You will receive an email with the subject line “*Update Your Account*” containing a link to enter a new password. The link is only valid for 36 hours. If you are unable to reset your password within 36 hours, you will need to reset your password again.
